Stellantis Returns to Canadian International AutoShow with Fan-Favourite Camp Jeep®, Four Canadian Auto Show Debuts

Company will showcase a range of Chrysler, Dodge, Jeep, Ram and Fiat vehicles

TORONTO, Ont. — The Camp Jeep® indoor off-road course was one of the most popular exhibits at the Canadian International AutoShow last year, and will be returning to the AutoShow in 2024.

Global automaker Stellantis — the world's fourth-largest auto company by sales — will be showcasing a range of vehicles from its Chrysler, Dodge, Jeep, Ram and Fiat brands alongside its Camp Jeep® installation, including four vehicles that will be seen at a Canadian auto show for the first time ever.

A Trail Rated indoor off-road course, Camp Jeep® offers a chance to experience the capabilities of the legendary Jeep® vehicles without leaving the AutoShow floor. Passengers will ride along in the latest Jeep vehicles — including the plug-in hybrid Jeep Wrangler 4xe and plug-in hybrid Jeep Grand Cherokee 4xe — experiencing five man-made obstacles that rigorously showcase the unmatched capabilities of Jeep vehicles.

The roster of vehicles making their Canadian auto show debuts will include two concepts — the Dodge Charger Daytona SRT Concept and the Ram 1500 Revolution BEV Concept — as well as the all-new, all-electric 2024 Fiat 500e and 2025 Ram 1500, equipped with the more powerful and more fuel-efficient new Hurricane engine family.

Other vehicles that will be in the Stellantis display include:

- 2024 Chrysler Pacifica PHEV
- 2024 Dodge Hornet PHEV
- 2023 Jeep Grand Cherokee 4xe Trailhawk
- 2024 Jeep Grand Cherokee L Limited Black Appearance
- 2024 Jeep Wrangler 4-Door 4xe Rubicon X
- 2024 Jeep Wrangler Sahara
- 2024 Jeep Grand Wagoneer Obsidian Series II
- 2024 Jeep Compass Limited
- 2024 Ram 1500 Sport

The 2024 Canadian International AutoShow will take place February 16th to 25th at the Metro Toronto Convention Centre. For news and updates — and to buy tickets — please visit autoshow.ca. Media accreditation to the 2024 AutoShow is now online and can be requested at autoshow.ca/media-registration.

About the Canadian International AutoShow, presented by The *Toronto Star*

Celebrating the automobile since 1974, the Canadian International AutoShow features more than 650,000 square feet of exhibits, displays and attractions spanning the North and South Buildings of the Metro Toronto Convention Centre. With annual attendance in excess of 350,000, the Canadian International AutoShow is not only the largest automotive expo in Canada, it is also the country's largest consumer show. A leader in lifestyle, technology and all things automotive, it is a showcase for the latest cars, trucks, SUVs, concept cars, exotics, classics, muscle cars, electric vehicles, alternative fuel vehicles and autonomous vehicles.
