Dilawri Showcases INEOS Grenadier at the 2025 Canadian International AutoShow

Display features INEOS Grenadier 4X4 Fieldmaster and Quartermaster Fieldmaster Editions

TORONTO, ON. — Get ready for an exciting return, as INEOS Grenadier makes its second appearance at the Canadian International AutoShow. Dilawri, Canada's largest automotive group, showcases the INEOS Grenadier 4X4 Fieldmaster Edition and INEOS Grenadier Quartermaster Fieldmaster Edition – two powerhouse 4X4s designed to deliver off-road excellence, premium comfort, and strong towing capacity.

Dilawri INEOS Grenadier is the first and only INEOS Grenadier sales and service location serving Eastern Canada, and one of the brand's first two Canadian dealerships.

The Grenadier is purposeful, personalized and functional. Thanks to the brand's open-source approach to accessories and extensive customization options, customers can custom-tailor the INEOS Grenadier to meet their unique needs. Powered by a specially calibrated, turbocharged BMW 3.0 L straight-six engine, this vehicle seamlessly blends everyday drivability with rugged off-road capability. Whether you're navigating city streets or going on an off-road adventure, the Grenadier has you covered.

Discover complete details on the two featured models at the Dilawri INEOS Grenadier display:

INEOS Grenadier 4X4 Fieldmaster Edition Overview

The Grenadier Fieldmaster Edition is a five-seat station wagon built for both off-road capability and daily use. It comes with permanent four-wheel drive, a centre differential lock, and five-link beam axles, ensuring stability on rough terrain while maintaining controlled handling on the road.

Inside, luxury meets adventure with leather upholstery, heated front seats, and carpeted flooring. Safari windows and optional open-air driving allow drivers and passengers to fully immerse themselves and embrace the scenic route. The vehicle boasts an impressive 3,500 kg (7,716 lb) towing capacity and multiple storage options, including roof rails and under-seat compartments, making sure you're equipped for any journey.

The vehicle features a 12.3-inch touchscreen, Apple CarPlay, Android Auto, and a premium sound system. The Fieldmaster balances rugged performance with practical features such as lane departure warning and emergency braking, making it a strong choice for varied driving conditions.

INEOS Grenadier Quatermaster Fieldmaster Edition Overview

The Quatermaster Fieldmaster Edition is a versatile five-seat, double-cab pickup built to conquer tough terrain and heavy-duty tasks with ease. With a reinforced load bay, 3,500 kg (7,716 lb) towing capacity, and Trailer Stability Assist, towing can be done with comfort and confidence.

Similar to the 4X4 model, the Quatermaster features permanent four-wheel-drive, a centre differential lock, and solid beam axles for a superior off-roading experience. Advanced safety features provide added confidence, while extensive customization options such as roof racks and winches make it the ultimate vehicle for both work and adventure.

The interior combines leather-trimmed heated seats, carpeted flooring, Safari Windows, and a 12.3-inch touchscreen with Apple CarPlay and Android Auto. Discover everything the Dilawri INEOS Grenadier display has to offer on the 300 Level of the North Building in the MTCC.
